The last day of the registration period is usually about two weeks after the beginning of classes.

Maple Program [M]

1. Program Outline

The Maple Program (Osaka University Intensive Japanese Language and Culture Program for Exchange Students) is a short-term student exchange program of Osaka University hosted by the Center for Japanese Language and Culture (CJLC). This one-year program consists of two terms: a Fall-Winter term from September to March, and a Spring-Summer term from April to August.

The program is designed to help students improve their Japanese language skills as well as enhance their knowledge of Japanese culture and society, moving them further towards their respective academic goals. Moreover, it aims to cultivate the human resources required to deeply understand Japan from various perspectives by giving students the academic tools to compare and contrast Japanese language, culture and society with their own, and then share that knowledge widely.

A faculty advisor is assigned by the CJLC to each student enrolled in the program to provide advice regarding subject registration and other academic activities.

Course information

The Maple Program features four courses: Pre-intermediate, Intermediate, Upper-intermediate and Advanced. Students are placed in one of these four courses based on the results of a preliminary placement test.
